

Famous Old Recipe for Cough Syrup

Easily and cheaply made at home,
but it beats them all for
quick results.

Thousands of housewives have found that they can save two-thirds of the money usually spent for cough preparations, by using this well-known old recipe for making cough syrup at home. It is simple and cheap to make, but it really has no equal for prompt results. It takes right hold of a cough and gives immediate relief, usually stopping an ordinary cough in 24 hours or less.

Get 2 1/2 ounces of Pinex from any druggist, pour it into a pint bottle, and add plain granulated sugar syrup to make a full pint. If you prefer, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, it tastes good, keeps perfectly, and lasts a family a long time.

It's truly astonishing how quickly it acts, penetrating through every air passage of the throat and lungs—loosens and raises the phlegm, soothes and heals the membranes, and gradually but surely the annoying throat tickle and dreaded cough disappear entirely. Nothing better for bronchitis, spasmodic croup, whooping cough or bronchial asthma.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its healing effect on the membranes.

Avoid disappointment by asking your druggist for "2 1/2 ounces of Pinex" with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Influenza seems to be spreading in Winoski and there have been a number of deaths there.

Swanton reports 250 cases of influenza and the doctors there are so busy they have refused calls from nearby towns.

The town treasurer of Middlebury reports that only about half of the taxes for 1918 were paid before the day after which four per cent is added.

Mrs. Julian A. Dimock, who was one of the extension bureau lecturers at the University of Vermont last year, will be at Cornell university this winter. Her work will be in the home economics department.

Mr. and Mrs. W. H. Bissell of North Walpole, N. H., but who had lived in Bellows Falls, which was Mr. Bissell's native place, died within a few hours of each other last week, leaving an 18-month-old daughter.

Miss Rebecca Morgan, who died at her home in Stowe last week of pneumonia, was 18 years old and was graduated with high honors from the Stowe high school last June, winning the honor scholarship in the University of Vermont, which she expected to enter this fall.

Mr. and Mrs. William Black of Burlington have received word that William J. Thomas, who had made his home with them since he was a boy, had died of pneumonia at the front in France. He went overseas last June.

An automobile owned and driven by Carroll Moore of North Westminster collided with an electric light pole in Bellows Falls a few days ago and by the impact Mr. Moore received several scalp wounds, his father, J. W. Moore, who was with him, received a broken arm and the car was considerably damaged.

Robert Spencer of St. Johnsbury has received word that his son, Pvt. Albert Patrick Spencer, has died in Camp Humphreys, Va., where he was in training. He leaves a father, mother and one sister. His family are all seriously ill of Spanish influenza.

The 32d annual meeting and exhibition of the Vermont State Horticultural society will be held at St. Johnsbury Nov. 20 to 23. This is the first time this society has ever planned a meeting in this part of the state. Along with the exhibition there will be a two and one-half day program of lectures, addresses and demonstrations.

The class of 1885 of St. Johnsbury academy left as a class gift at its graduation the sum of \$75 as a nucleus for a class scholarship. At the recent annual meeting of the academy trustees the class presented a sum necessary to complete a scholarship fund of \$1,000, which is their aim.

Thomas Murray of Rutland has received a telegram from the war department announcing that his son, Pvt. William P. Murphy, a member of the 312th infantry, has been wounded in action at the front in France. He is 32 years old.

Most of the articles stolen Oct. 6 from the jewelry store of W. H. and W. S. Bristol in Vergennes were brought back from Port Henry, N. Y., last week by officers from Vergennes, but a man who had attempted to sell them at a store which deals in second-hand property, and who gave his name as F. M. St. Louis of Franklin, N. H., escaped while being questioned by a detective.

Mrs. G. B. Brown of St. Haven has received word of the death in France of pneumonia of Emil Trombly, who had been in the regular army nearly 12 years. He served on the Mexican border and went to France with General Pershing.

Pvt. Trombly took part in several of the big drives, after which he was taken ill with pneumonia and died. He was 32 years old and is survived by his mother, Mrs. Brown, and one sister.

There have been 50 deaths in St. Albans from pneumonia and Spanish influenza. An emergency hospital has been established in the parish house of St. Luke's Episcopal church. People have been dying in the city for the want of care and the parish house was opened primarily to care for those without help at home. From Friday night until Monday morning 13 deaths were reported.

Henry A. Bailey, the holder of many public offices in Winoski, including president of the village for three successive terms, died Sunday at his home there of pneumonia, following the influenza. He was about 65 years old and received his education in Hyde Park and at Montpelier seminary. Besides being president of the town, Mr. Bailey had been a member of the water commissioners, town moderator, a member of the committee which drew plans for the high school, a member of the Methodist church, Sunday school superintendent for 17 years, member of the board of trustees, one of the church stewards, a former treasurer of the church and a member of the building committee of the new edifice.

Opening of University of Vermont Postponed Until Oct. 23.

Burlington, Oct. 15.—At a conference of college authorities, it was decided to postpone for another week the opening of the University of Vermont. If epidemic conditions are satisfactory at that time, college will open Oct. 23. The work of the student army training corps will commence when college opens.

DEATHS AT WATERBURY.

Several More People Died of Pneumonia.

Waterbury, Oct. 15.—Carl Erwin Muzey passed away of pneumonia yesterday morning at 2 o'clock at his home on Main street. He was ill with influenza, improved so that he was about to have a relapse and the attack of pneumonia followed. Mr. Muzey was born in Lewis, N. Y., 42 years ago last January, the son of John and Fannie (Carson) Muzey. For over 20 years he lived in Bolton, coming to Waterbury seven or eight years ago. He lived at first on a farm at the Center and a year ago moved to the village. He was a teamster for the Magnolia Talc company and is survived by his widow, Ella Stockwell of Jonesville, two daughters, Madeline and Frances, and his aged parents, two brothers and two sisters, H. E. Muzey of Bolton, F. P. Muzey of St. Albans, Mrs. J. Kimball of Saranac, N. Y., and Mrs. George Demerit of Waterbury. Funeral services will be held tomorrow afternoon, and burial will take place in Richmond.

Another sad case was the death yesterday morning of Theresa Morandi, six-month-old child of Felix and Angioletta Bai Rossi Morandi. The father died 10 days ago of pneumonia and the death of the child was caused by the same disease.

Cecil Pierce died at the emergency hospital in the Methodist church yesterday morning of pneumonia. He was employed at the talc mines and leaves a wife.

Arthur Martin, three-year-old son of Henry and Evelina (DeForge) Martin, died Sunday of pneumonia. He was born in Constable, N. Y., where his parents resided but he had lived for some time with his grandparents. He is survived by his parents, grandparents, one sister and three brothers. The sister is quite ill.

There seems to be a slight improvement in conditions at the state hospital for the insane, although there are over 100 cases in the institution. Among those there who are seriously ill are Dr. E. A. Stanley, assistant superintendent, and Miss Agnes Spillacy of Montpelier, one of the nurses. Mr. Barber of Winoski, another nurse, who was reported Sunday night as critically ill, was more comfortable yesterday.

Influenza Situation in Vermont.

Although Dr. Dalton of the state board of health considers the epidemic situation favorable, there was an increase of 6,555 victims in the state for the week ending Oct. 13. This makes a total of 16,900 in Vermont since the outbreak occurred. Dr. Dalton is of the opinion that the crest of the disease has been reached.

The ban on churches, amusements and gatherings of all kinds will not be removed for at least another week, and whether it is then or not will depend wholly on conditions at that time.

In Burlington 172 new cases developed last week. The city has voted \$1,000 to be used for relief work.

In Rutland, the condition is serious. About 100 new cases were reported Sunday and the disease seems to be making headway. Two of the city doctors are quite ill with it and nurses are scarce.

BAPTIST MINISTER DEAD.

Rev. W. R. Tinker and Father-in-Law, Mr. Mayhew, Died of Heart Trouble.

Brattleboro, Oct. 15.—Rev. William R. Tinker, pastor of the Baptist church in West Halifax, died suddenly of heart disease in his home in Halifax Center. After eating he said he did not feel well and Mrs. Tinker advised him to rest on the couch, which he did. While she was talking with him he gasped and died.

Rev. Mr. Tinker was about 67 years old. He came to Halifax from Lebanon Springs, N. Y., five years ago. Besides his wife, he leaves one son, Private Arthur L. Tinker, who is in the ammunition train service in France.

Mrs. Tinker's father, L. Fred Mayhew, of Halifax, who was a retired Baptist minister, fell dead in a Brattleboro grocery store, Sept. 25. The funeral of Rev. Mr. Tinker was held Oct. 14. Rev. Dr. W. A. Davidson of Burlington, Baptist state evangelist, officiated.

2 Drops, 2 Seconds—Corns Is Doomed!

When you almost die with your shoes on and come make you almost walk sideways to get away from the pain, take a vacation for a minute or two and apply two or three drops of the world's magic and only genuine corn-

"My Corns Peel Clean Off, V.A.'s 'Gets-It'!"

"Gets-It." Then, and then only, will you be sure that your corn will loosen from your foot so that you can peel it right off almost easily with your fingers. Take no chances of continued pain and soreness—why use creosote, irritating salves, plasters that shift and press into the "quick," razor and "dig-out" the painless, easy, always sure "Gets-It." There's only one like it in the world—that's "Gets-It." Millions have tried and O.K.'d it for years. It never fails.

erection of big derricks used in the slate industry in that section, was instantly killed, and Herbert Allard of Rutland, an electrician employed by the Rutland Railway, Light & Power company, died later as a result of a peculiar electrical accident Sunday night at the Sisco Milling company's plant just outside of Castleton.

Mr. Allard was at work on top of one of three large transformers which were being installed on one side of the station. Two transformers which were "alive" at one end of the building had been fenced off. Near the live transformers, and Mr. Allard was lying being two of the newly installed devices for reducing current, but which were not in use.

There were no burns on Allard's body and the officials of the company are at a loss to know how he was dislodged from his position on top of the new transformer, where he was pouring oil. It was suggested that in getting down to go to the aid of Mr. Burke he may have fallen.

Mr. Allard is survived by his wife and one son, his parents and two sisters. He was about 38 years old.

Mr. Burke is survived by his wife, two daughters, one son and two brothers.

NEGLECTANCE CHARGED.

Against Four Railway Men for Wreck at Dummerston.

Brattleboro, Oct. 15.—In a report issued yesterday afternoon by the Vermont public service commission covering its investigation of the wreck on the Boston & Maine railroad at Dummerston Sept. 10, when Clark Frederick S. Platt of Rutland, of the United States court, Richard King of Allston, Mass., and William J. Constant of Bellows Falls were killed and 25 were injured, the primary cause of the accident is asserted to be the negligence of four members of crews.

All the trains involved were going south. After the White Mountain express had gone a passenger train left the siding and was struck by an extra freight. The commission says that the extra freight was running at a high speed, and in violation of specific restrictions, making it impossible, from the time it exploded a torpedo, to stop in time to prevent a collision. Responsibility for this is charged against Engineer William R. Webb of Springfield, Mass., and Conductor Edward A. Swain of Brattleboro.

The commission further says that Engineer Leo C. Forgette and Conductor Edward H. Biggs, both of Springfield, Mass., violating Boston & Maine rule 513 in moving the passenger train onto the main line after the express passed, without giving time for any train that might be within the block to stop. Testimony of members of the crews as to their understanding of the effect of certain switch operations on the block signals led to criticism by the commission that the company was lax in examining and instructing employees.
